

Hello, my name is John Howard..

When Tony D'Angelo, NorthEast Chapter President, passed away, Duane Biller, National President of the FMDAC, appointed me the NorthEast Chapter President of the FMDAC.

I am a retired Electrician from the International Brotherhood of Electrical Workers, L.U.86 . I live in Rochester, New York, with my wife Lynn, who has agreed to be the Chapter Secretary.

I am President of the Genesee Valley Treasure Seekers, and also a member of the Silver Seekers. We go to a number of hunts and as many FMDAC conventions as we can. I know many of you from the various hunts, and look forward to meeting the rest of you soon.

I would like to hear from all the clubs in our chapter, by either newsletter or just a note letting me know what is going on with your club. I am going to try to visit each club and get to know you.

You can e-mail me at [jwhoward@localnet.com](mailto:jwhoward@localnet.com) or call (585) 663-7368. My address is: John W. Howard  
34 Bayberry Lane  
Rochester, N.Y. 14616-3719

I hope to hear from you and keep the communications open, and I hope you will help me build the chapter for the future.

Thank you,  
John
